Vince,

Here are some draft chapters if you could distribute these to disciplinary groups per prior plan.

Thanks

David

David,

I've attached the SAB Final Report along with Sections 3 and 4 for transmittal to the Disciplinary Workgroups.

I have also attached a separate Appendix I authored by Bob Benson which provides an additional narrative on the adversity of LPT and DPT.

Section 4 has text on the adversity of LPT with a placeholder referring to Appendix I. All these pieces should be reviewed. I am expecting the reviewers to read through the SAB Report on their specific areas of expertise prior to reviewing Sections 3 and 4 and Appendix I.

I will send the Workgroup-specific charge questions in the morning.

Tom
